**international co-production forum for  
films and series aimed at kids and youth**  
28-30 september 2026, warsaw, poland

**Young Horizons Industry is a co-production forum and meeting hub for film professionals who are passionate about making films and series for young audiences. It takes place every autumn as part of the Young Horizons International Film Festival in Warsaw, Poland.**

The goal of the forum is simple: to help creators connect with potential partners. By bringing together projects and industry players, we are creating a space where you can exchange ideas and form partnerships.
